## SHIPMENTS BY PARCEL POST

Plants are admitted to the Mails as 4th class matter, maximum weight 70 lbs., in first zone, ----- 50 lbs. in all other zones. All orders for stock where plants are not too bulky, can be wrapped in Water proof paper after the roots have been packed in damp moss with a wrapper of "Grizzlybear" paper, or packed in our corrugated paper flower boxes for shipment by Parcels Post, the quickest and most economical delivery of our goods. We can ship as above stated C. O. D. for the Postage the same as by Express collect.

Another last word; Prices are advancing, supply of stock is becoming exhausted. Order now. We are sure that you will find something worthy of your attention in this Bulletin. Check off the items and send in your list to-day.
